תורה אחת ומשפט אחד יהיה לכם ולגר הגר אתכם
September 2019 – December 2020

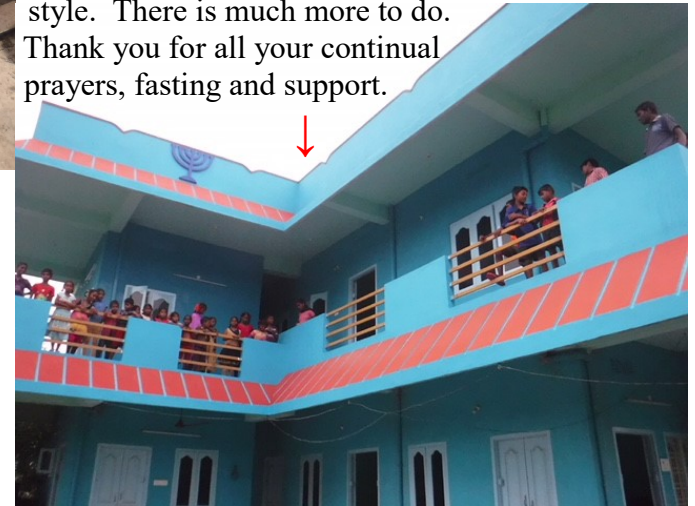

↑
Beit HaTorah has been involved with Hadassah Orphanage since 2005. There has been many blessings and also hurdles to overcome over the years and HaShem has always provided for us.

↑
Ravi Babu Karra sets the corner stone for the new building at Hadassah Orphanage.

Our vision to build a new facility at Hadassah has been exciting and also rewarding. Our focus has been to provide a safe place for our widows and children. Their studies in Torah are essential in allowing them to grow in their relationship not only with HaShem, but with their neighbors, which will point the way to Yeshua through a Torah lifestyle. There is much more to do. Thank you for all your continual prayers, fasting and support.

Hadassah Orphanage

India

Beit HaTorah has partnered with the ministry of Ravi Babu Karra in India since 2005. Beit HaTorah is currently providing for 37 orphans and three widows, meeting not only their physical needs of food, clothing and shelter, but their spiritual needs also through teaching Torah and salvation through Yeshua, HaMashiach. Our children attend school, study hard, and achieve excellent grades.

2019 has been a very busy year for us as the new orphanage has been completed and are we currently furnishing it. The children are enjoying their new bunk beds complete with mattresses and pillows, a first for many of them! Each child also needs a small trunk (footlocker) to store their few possessions and storage racks. Currently we are installing air-conditioning in our new building. This summer the night-time temperatures have been 98-100 degrees and the day-time temperatures have been over 105 with a heat index of 128. We have had children in the hospital with heat stroke. When the air temperature is that hot even the drinking water is too hot to drink!

The Indian government continues to close orphanages for non-compliance. These children then end up on the street. The government has asked, and will in the future ask us, to take children from these closed Christian orphanages. The law requires us to separate the boys from the girls once they reach 15 years of age. We reached an agreement with the government to keep the girls within the orphanage until 18 years of age. The boys upon reaching the tenth grade (or 15 years of age and above) are relocated to a government sponsored facility where their education continues. After completion of high school, they are eligible to sit for testing and placement in university. As our children transfer out for higher education they are replaced by new orphaned children.

We rely on the support of generous individuals and businesses that have a heart to care for widows and orphans. Please consider supporting our children. Your donations are critical for their lives and we will happily keep you apprised regarding the children.

To sponsor a child fully for one month currently requires \$80 monthly.

This amount includes:

\$20 Education: Books, school and government fees, uniforms, in house part-time teacher, etc....

\$45 Meals three times a day: includes fuel for the generator, firewood, and the cook's salary.

\$10 Maintenance: Repairs, electrical equipment, etc.

\$5 Health Care: Medicines, immunizations, hospital bills, toiletries, etc....

You can choose any sponsorship level amount from the category breakdown above. You can choose to donate as a one-time gift or make a monthly commitment. Above and beyond their everyday needs, there is a smaller building on the property where the widows sleep, each year this building requires a new thatch roof. In the near future we would like to rebuild this building too; it cannot support a proper roof and valuable funds are expended on a roof that can only last a year.

Recently a man broke into the girls' area and tried to attack them. The neighbors came yielding clubs and other implements and ran him off. This man had been terrorizing female children in the neighborhood. The police never apprehended him. After this experience the girls have night terrors and are afraid to walk to school. It is not enough security to just lock the doors to the orphanage.

We desperately need to rebuild the compound walls higher, add security fencing with razor wire, and install iron gates.

We thank you in advance for your faithful support of the widows and orphans at Hadassah Orphanage. You are investing in their lives and all of us are so grateful.

Donations are tax deductible (according to the current tax laws).

Africa

Beit HaTorah has been working in Africa since 2005.

We are maintaining our partnership with Jean Pierre Nkunda in Rwanda. BHT provides orphan care in Rwanda and Uganda, and Creation Gospel materials in English, and Kinyarwanda for their leaders. There are 478 orphans housed between three orphanages. BHT assists with food, clothing and education. There are still displaced people from the DR Congo within our congregations in Rwanda. These humble people would like to return home to their countries.

Our main leader, Moreh Nkunda in Rwanda was charged by a local pastor and taken to court for teaching Torah. After sharing what BHT is doing for the poor, needy and orphans and presenting the Creation Gospel materials to the judge in his language, Kinyarwanda, Moreh Nkunda was finally acquitted. Our leaders in Rwanda are pressed on from every side by Christians, who feel threatened by Torah learning and Islam. Many do not want to hear about the Torah way of life and our leaders are suffering.

Here are some of the prayer requests from Moreh Nkunda:

1. BHT Headquarters in Rwanda has been closed to the public by the government until the building can be repaired. The roof leaks, walls are not stable and the water has eroded a large opening in the ground just under the floor in the front of the building. This building is also used for their congregation and orphans. 2. More Creation Gospel materials are needed in English and Kinyarwanda. 3. Additional funding is needed for the orphans. The costs are rising for food, clothing and medical care, and malaria is a constant issue. 4. The Batwa have joyfully embraced Yeshua and Torah and they are desperately poor. Much of the outreach to them is through food and clothing.

Please pray for these needs and the wonderful people who are on the ground working.

Brother Avraham in Nigeria is dealing daily with the pressure from Islam. There is continual fighting between the IPOB (Indigenous people of Biafra) and the Nigerian government. IPOB are believed to be descendants from the tribe of Gad. They own some of the richest land and the Islamic Fulani Herdsman are terrorizing them for it.

Brother Sam in Ghana tells us that the economic and political climate in his country makes travel difficult for many of the brethren. As a result, many are unable to attend each week and even festival attendance is challenged. Many of the men travel away from their homes for employment and some cannot make it back very often. BHT is still searching for a reasonably priced building to rent.

BHT headquarters in Nigeria is slowly being developed. The goal of Brother Otobo is to complete the buildings for an outreach center for the poor and needy.

We live among a lost and dying world who needs the hope found in Yeshua, The Messiah!

Please consider partnering with us to provide for the widow and orphan through food, clothing, education and shelter. Creation Gospel books are in great demand and we are presently unable to print enough to meet the needs.

BHT has been privileged to work in Africa and India. We are seeing the difference hope makes in people's lives.

Please consider praying for our ministry leaders daily and share with others about our work in Africa and India.

For every dollar we receive, 100% of that total amount is given to the local ministry in India and Africa.
